Weekly Newsletter  
Friday 15th February

Dear Parents and Carers,

Thank you to all the parents and friends who supported the Young Voices concert in Manchester Arena on Wednesday evening. It was absolutely wonderful to hear our children singing with 6,500 other children from across the North West and I know so many parents have commented and let me know just what an amazing experience they felt it was for their child. We are only able to offer such experiences to our children thanks to the generosity and dedication of our staff who are always prepared to go the extra mile and give up so much of their own time to support our children. A huge thank you to Mrs Pease, Mrs Antal, Mrs Firth and Mrs Teasdale for enabling our children to take part in such a wonderful experience—your commitment is very much appreciated. Many thanks also to everyone who supported the Disco last night—the children looked to be having so much fun. Thank you to Mrs Dawson, Mrs Symonds and Mrs Antal for masterminding and to everyone on the PTA for helping with refreshments.

Music teacher Mrs Gregory and her pupils performed in assembly this afternoon—they were brilliant! If your child would like to learn to play a flute, clarinet, piano or other instrument please call into the school office.

There will be no newsletter next week due to the Ullswater Residential. I am sure the children will have an absolutely brilliant time—whatever the weather!

I would be extremely grateful if you felt able to complete the Parentview online survey. Your views are very important to us. It does not take long at all to give your views anonymously by clicking here <https://parentview.ofsted.gov.uk/login?destination=give-your-views>

I hope you all have a very enjoyable weekend and look forward to seeing you on Monday.

With best wishes,  
Susan Marshall  
(Headteacher)

Don't forget your toothbrush! Ullswater Residential next week!

Happy  
Valentine's  
Day!

Please help us be good neighbours. I am aware some parents have been parking actually in our neighbour's driveways (without permission), across driveways and generally inconsiderately. When the school was built in Victorian times the builders could not possibly have imagined that one day the roads would be so busy with cars. If they had, I am sure they would have built it further back! I can fully appreciate how difficult it can be and am extremely grateful to all our families who are thoughtful and considerate drivers. I also know many of our families choose to walk as it is so much easier but I know this is not possible for everyone. Please drive carefully and considerately when approaching school.

**Pupils of the week awarded for independence, writing, attitude to learning, times tables, reading, kindness, perseverance and being a role model to others.**

**Class 1:** Alfie Boyd and Emily Oldcorn.

**Class 2:** Lavinia Wikinson and Jessica Cluny.

**Class 3:** Zak Jones and Harry Emmott.

**Class 4:** Skarlet Butler and Casper Armstrong.

**Class 5:** Josh Guy and Jack Middleton.

**How many words can you read?**

Reading is the key to success in primary school and opens up a whole world of imagination for children.

Next term we will be holding a sponsored read and would love as many of our children as possible to see just how much they can read and how much word power they can gain! Watch out for more information next week.
