

Year 6

Home Learning

Hi everyone

Hope you are all well and haven't eaten too many Easter Eggs!

Below are some activities for the next couple of weeks.

Don't forget to send me any work that you have done to our class email—class5@cowling.n-yorks.sch.uk

Mrs Pease

Maths

- TT Rock Stars
- Follow the link below for Maths lessons for the week

<https://whiterosemaths.com/homelearning>

We are on Summer Term Week 1 and Week 2 unless you did these over Easter. If you did then there is additional work attached for you to have a go at instead

- Complete attached Arithmetic paper

English

- Have a look at the attached booklet -The Doors and work through. It is split into writing and reading activities - some activities might take a couple of days

Additional Reading

- Continue VIPER activities for own book reading.

Additional Grammar

- See the class page where I have attached links for Week 5 and 6

PE

- Continue activities from the first four weeks
- Ambitions Gymnastics (also on Facebook) have produced online sessions

Other Subjects

In the Summer Term we are looking at the Ancient Greeks for History and famous Scientists in Science, linked to our Spring Term topic on Health. We are also looking at exploring Ancient Greek Sculptures in Art and Design and the work of artists such as Alberto Giacometti and Patricia Coates. I will add activities each fortnight below for each of these subjects.

History

- Place Ancient Greece on a timeline including other periods of History that we have looked at. Find Ancient Greece on a map and locate the states of Athens and Sparta
- Carry out research into the similarities and differences between the two city states -and report back their findings under the following headings: how they were ruled; the lives of men, women and children, warfare, slaves, culture, religion.

Science

- Research **Elsie Widdowson** (1906-2000): A British chemist who was a pioneer of the scientific study of nutrition during the Second World War . Produce a factfile.

Art

- Follow this link <https://www.bbc.co.uk/programmes/p0114r6f> and practice your technique for simple figure drawing
- Practice drawing figures in different athletic poses
